

Miami-Dade County Public Schools Opening and Closing Hours

Below you will find the bell schedules that will be in place for the 2020-2021 school year. We have included a sample for an Elementary schedule. This is only a sample. Elementary schedules must be created in alignment with the minutes included in the programs that were entered for the students in DSIS. In the case of Secondary schools, at this time we are releasing schedules for 6 Period and 8 Period Blocks. For schools on a traditional 1-6 bell schedule, more information will be forthcoming. As discussed, these blocks have been aligned district wide. Board approved special bell times have been adjusted and will revert to the traditional schedule. Exceptions for special programs will be provided. A calendar for A/B days is also included.
