Dear Parents/Guardians,

As school sites within Miami-Dade County Public Schools (M-DCPS) have initiated testing for students, it is imperative that our parents are aware of the available transportation resources. Students who are enrolled in My School Online (MSO) and are eligible for bus transportation have the opportunity to be transported to and from school on their respective testing dates.

In addition, if for any reason, your child needs to make up a test that was previously scheduled, there is an opportunity to schedule a make-up test with transportation provided by coordinating with your school site. Bus transportation is not a mandatory requirement to participate in testing, as parents may choose their preferred mode of transport to and from the school site.

If you are interested in utilizing bus transportation on specified testing date(s); please contact your child's school. Information related to MSO student bus transportation for state assessments can be found on the school website at RedlandMiddleSchool.org. If you have any questions or concerns, please contact the school at (305)247-6112. You can also reach out to Ms. G. Gonzalez at 6761-attendance@dadeschools.net.

Sincerely,

Gregory A. Beckford, Principal
